

Entrance to and Exits from SBS – reviewed Monday 7th September 2020

Siblings and childcare arrangements

We do appreciate that staggered starts and finishes could be difficult to manage when you have siblings in different bubbles. Therefore, siblings will be able to come to school with the youngest in the family at their start time. If this is the case, they should enter through the same entrance as their sibling and go straight to their classroom, where teachers will be expecting them.

At the end of the day, if you choose, older siblings may leave at the same time as their youngest sibling.

If you have a child in Gruffalo and a child in an older class, please park close to the cycle gate and enter and exit via this gate.

If you have a child in Aslan and a child in a younger class, please park close to the cycle gate and enter and exit via this gate (the meadow gate will close once Shadow and Tulane have left).

If you are a parent collecting three children, please wait on the field and exit via the cycle gate. Please park close to the cycle gate.

Gruffalo: School start time: 8.30am End time: 2.45pm

Please come to the cycle gate for drop off and collection. A member will open the cycle gate and you may wait just inside the gate. **Please exit via the cycle gate and park in the lanes by this gate.**

Initially, many children will be part-time. During this time, drop-off in the morning will be by the cycle gate and collection will be from the front of the school. When collecting from the front of the school, please wait in the courtyard.

Elmer and Paddington:

School start time: 8.30 am

End time: 3pm

Elmer please enter through the **old bus gate at the front of the school** at 8.30am.

Paddington please enter through the front courtyard.

You should collect your child from the cycle gate at the end of the day. Unless exempt (see siblings section above), you should then use the one-way system and exit from the meadow gate. **Please park in the church car-park or drop zone in front of the church.**

Tulane: School start time: 9am

End time: 3.15pm

Children should enter via the side-gate next to the Tulane porch. Children should be collected from the cycle gate at 3.15pm. Unless exempt (see siblings section above), you should then use the one-way system and exit from the meadow gate. **Please park in the church car-park or drop zone or in front of the church.**

Shadow: School start time: 9am

End time: 3.15pm

Children should enter via the **old bus gate at the front of the school**. Children should be collected from the cycle gate at 3.15pm. Unless exempt (see siblings section above), you should then use the one-way system and exit from the meadow gate. **Please park in the church car-park or drop zone in front of the church.**

Aslan: School start time: 9am

End time: 3.30 pm

Children should enter via the cycle gate. Children should be collected from the cycle gate at 3.30pm. Please park at the side or front of the school.

These arrangements are imperative for the safe movement of pupils on and off the site. They also allow for increased social distancing and reduced cross-over of pupil bubbles.
