

FRIDAY 18TH JUNE 2021

THE SBS BULLETIN

Happy Friday! Firstly, thank you so much to all the parents who have responded to our parent questionnaire. On behalf of the whole SBS team, I would like to say an enormous THANK YOU for your incredibly supportive and generous comments. It is a delight to be the headteacher of such a thriving school and community. If you would like to return a questionnaire, please do so by Monday 21st June. All of your comments are helpful and contribute to the forward planning of our school.

Over the next few weeks, you will receive a number of letters from us. These letters will cover the following topics:

- residential experiences for our oldest children,
- day trips and special experiences for the remainder of term,
- SBS 'memory books 2020-21,
- new classes and staffing arrangements,
- transition days to new classes,
- end of term dates,
- end of year reports,
- dates for September and
- community events.

Please keep looking for these emails , as there will be quite a lot of information to follow.

We continue to follow DfE operational guidance regarding covid. Whilst we are now able to invite parents onto site, there continue to be a number of control measures and restrictions around how this is organised. We are aware that there are an increasing number of covid cases in the local area and continue to place the safety of our community first. Therefore, at SBS we have taken the decision to focus primarily on the experiences we can offer our children, rather than community events. We hope that September brings fewer DfE restrictions and therefore a flurry of the community events we all love and have missed so much. In the meantime, information about some 'scaled-down' Friends of SBS events will follow. Please do contact me if you have any concerns or comments about the above.

FRIDAY 18TH JUNE 2021

THE SBS BULLETIN

SBS Explorer Awards

Gruffalo - Millie Holmes

For all having a fantastic attitude to life in Gruffalo and being a delight to have at SBS!

Elmer - Ami Thomas

'I could give Ami an award every week for her amazing efforts and engagement in learning. This week Ami has really impressed me with her massive stamina in writing when retelling the story of Emily Brown. Well done!'

Miss. Simkins

Paddington - Noah Lidstone-Scott

For your considerable effort and achievement in mathematics this week.

Tulane - Evie Heaps

'Evie always puts 100% into everything she does. This week she has impressed me with her word choices for her list poem about the rambling isles.' Miss Fairlie

Shadow - Ryan Turley

Ryan has absorbed himself in the creation of board games for his Geography project and also played a very active role in the class science investigations. Well done Ryan.

Aslan - Finlay Munden

Finlay has worked exceptionally hard in maths this week. He has particularly impressed the teaching team with his ability to solve complex problems.
