

South Baddesley CE Primary

Friday Bulletin

Friday 17th September

Thank you to all of the parents who have taken the time to watch the virtual meet the teacher presentations and attend our parent clinics that addressed the general questions we were sent. Hopefully these two things have provided ample information about the year ahead and will enable our parent-school partnership to continue to flourish. I have noticed a few additional questions that arrived after the meetings, so we will address these in class emails where appropriate. There will be further information to follow regarding reading workshops for parents of our youngest children.

We are looking forward to seeing many parents at the SBS Fun Run on Sunday 26th September and also at Harvest Festival and Gruffalo welcome on Monday 18th September.

Our new lunch time clubs have started this week and are very popular. The garden has been open all morning and lunch time.

Some children made some delicious courgette fritters from our fresh produce grown in the garden. They tasted delicious!

Friday Explorers

This week we would like to award...

Cav Thorne in Elmer class for his excellent concentration and reasoning skills in mathematics.

Tommy Caygill-Staikos in Paddington for settling in so well and for being so incredibly welcoming to everyone he meets.

Louis Mavor in Tulane has made an amazing start at SBS with his brilliant football skills and kindness in class.

Megan and Austin in Shadow have had a fantastic week in mathematics and topped it off on Thursday with brilliant partnership work.

Ryan Turley in Aslan for his extremely hard work in maths - all week!

Well done to all our Explorers. Remember that in your child's Arbor account, you can keep track of their Explorer points (we generally upload these once a week!)

Finally, our year 6 buddies have been so kind to their buddies. For their Friday afternoon reward, they have helped their buddies to make dens. It looks so much fun. Kindness is the SBS superpower!
