

# South Baddesley CE Primary School

FRIDAY BULLETIN 10.06.22

---

Dear parents,

Welcome back to school for summer term 2! Thank you so much to the families who joined us at the end of last term to celebrate our Jubilee events. We really enjoyed our dance workshops and getting creative to make crowns and bunting. Thank you so much to Austin Harmer for organising the Union Jack flag and for leading, with his friend Henry Nurton, the school procession so well. It was such a lovely day in school - one the children will hopefully remember for a long time.

This week our budding year 3 musicians have been learning to play our new ukuleles. Learning to play a tuned musical instrument is an important part of our music curriculum and our choice of ukuleles has been very popular with the children. Participating in musical activities has huge benefits for learning and wellbeing so we are delighted to see the children enjoying this aspect of the curriculum so much. Thank you Miss. Fairlie for being a great music teacher!

Strive AND  
Believe TO Shine

## Friday Explorers

Gruffalo - Stan - For showing determination when writing his helicopter story!

Elmer - Rory K - For fantastic progress with phonics and building fluency in his reading!

Paddington - Tommy - For his super improved writing!

Tulane - Clara Nurton - For being curious and starting such interesting debates and discussions in class!

Shadow - Tia - For winning first prize in the Italian menu competition!

Aslan - Hettie - For being a fantastic role model and helping hand in Gruffalo!

Oops! - A few weeks ago we published that another child won an explorer award instead of Minnie! A belated well done Minnie!!

This week in worship I explained to the children that this Sunday is Trinity Sunday. We talked about the meaning of the Holy Trinity and explored that it is a powerful reminder that we are all 'different' but that we can all work in 'unity.' I have shared a song that conveys this message on children's Google Classroom accounts. I hope you can enjoy listening to it. Most importantly, this term we continue to remember that as a school community, each and every child is unique, special, important and different, but together we share a beautiful school and can work together in harmony for everyone's benefit.

There is a very important quote at the end of the song....I look forward to a pupil letting me know what this is next week!

## Summer term diary dates

Tuesday 14th June - swimming commences for year 3

Thursday 16th June - year 5 begin the 'buddy' project for new Reception children coming from Kids Love Nature.

Thursday 16th June - Year 5 Big Camp Out!
