

## **South Baddesley CE Primary School: Freedom of Information Publication Scheme**

This policy explains our school commitment, as a public authority, to make information available to the public as part of its normal business activities. This policy conforms with the model scheme for schools approved by the Information Commissioner.

This policy reflects the requirements of the Freedom of Information Act 2000 (FOIA). The maintenance of this scheme is the responsibility of the South Baddesley Governing Body.

This scheme sets out the:

- Classes of information that we publish.
- The method by which information published under this scheme is available.
- Charges which may be made for information published under this scheme.

Much of the information in the publication scheme is available from the school website. If a paper copy is required then a request can be made and this will be fulfilled in line with the Schedule of Charges.

If you wish to have information not shown in the publication scheme then a request can be made under the FOIA. You need to contact the school directly making a request in writing making it clear that there is a Publication Scheme request under the FOIA, stating your real name and providing an address to which the Federation can reply. All requests can be made by writing to the school Senior Admin Administrator at:
