

## OUR KEY SUMMARY OF PHYSICAL ACTIVITY USING OUR SPORTS PREMIUM FUNDING

At South Baddesley CE Primary School we want all our children to enjoy healthy and fulfilling lives. We want all our children to enjoy participating in physical activities and understand its benefits.

We encourage participation through:

- ✓ Employing a qualified sports coach to lead enrichment games teaching throughout KS2. This is in addition to the 2 hours of curriculum time PE and sport).
- ✓ Building the capacity of our teachers to deliver high quality games and PE lessons to develop skills and fitness – through high quality planning and resources.
- ✓ Developing a range of extra-curricular and lunchtime clubs around the school day including: girl's football, yoga, multi-sports and tennis.
- ✓ Taking opportunities across our curriculum for children to enjoy active and healthy activities – Young First Aiders, Relax Kids, Special Me Day and Woodland School.
- ✓ Being part of the New Forest Sports Partnership, local inter-school competitions and a local Netball League – providing competitions for children across the school every week.
- ✓ Swimming and sailing is part of our curriculum at Key Stage 2.
- ✓ Organising whole school sporting events such as the SBS Marathon, Paralympic sporting events, Family Sports Day and intra-class events, such as Rounders tournaments.
- ✓ Continually improving our grounds so that children can make the most of their playtimes and PE lessons.

We celebrate all our children's sporting achievements through updates on our school newsletter, assemblies and recognition on our sports board as well as our special end of year awards assembly.

- ✓ Achieving our GOLD Sports Mark for the second year in a row.
