

OUR KEY SUMMARY OF PHYSICAL ACTIVITY USING OUR SPORTS PREMIUM FUNDING 2021-22

At South Baddesley CE Primary School we want all our children to enjoy healthy and fulfilling lives. We want all our children to enjoy participating in physical activities and understand its benefits.

We encourage participation through:

- ✓ Employing a qualified sports coach to lead enrichment games teaching throughout KS1 and 2. We work closely with the coaching team to develop both the provision or curriculum Sport and Pe and also wider curriculum opportunities.
- ✓ Building the capacity of our leaders to effectively monitor and evaluate the PE and Sport curriculum, as well as providing an enhanced programme of enrichment PE and sport.
- ✓ Developing a range of extra-curricular and lunchtime clubs and after school provision.
- ✓ Taking opportunities across our curriculum for children to enjoy active and healthy activities – Young First Aiders, Special Me Day, Woodland School and Trailblazers.
- ✓ Being part of the New Forest Sports Partnership, local inter-school competitions and a local Netball League – providing competitions for children across the school every week.
- ✓ Swimming and adventurous activities are part of our curriculum at Key Stage 2.
- ✓ Organising whole school sporting events such as the SBS Marathon, Paralympic sporting events, Family Sports Day and intra-class events, such as Rounders tournaments.
- ✓ Continually improving our grounds so that children can make the most of their playtimes and PE lessons.

We celebrate all our children's sporting achievements through updates on our school newsletter, assemblies and recognition on our sports board as well as our special end of year awards assembly.
