

# Parenting Workshops

## New Forest Cluster of Schools

Based on the level of interest in the parent workshops in 2016, the New Forest Cluster would like to offer a broader programme for Autumn 2016 onwards.

All the details are below. There is a cost of £8 per workshop and places are reserved online using the links to the Eventbrite booking system. We encourage as many parents as possible to come along so that families across the whole area are supported. If the costs present a problem; please speak to or email your Headteacher.
