5th June 2018

Dear Parents

SBS SPORTS DAY 2018

We are very much looking forward to welcoming you to our annual Sports Day this Thursday 7th June 2018. (We have Sports Day B pencilled in for Thursday 14th June, should weather force us to cancel this one. You will be informed of this the day before) The day is set to be packed with activity.....

This year will see a change in proceedings as we will have all children involved in a carousel of events throughout the morning and then flat races, for those children who want to take part, at the end. We want to ensure all children are participating in activities, promoting sportsmanship and having as much fun as possible all morning!

To ensure you can see your child/children as they participate, we have re-arranged the colour teams into Sports Day Teams where siblings will be together. As the teams move round from activity to activity you will be able to follow, watch and cheer from the Spectator Zones. Please do stay in these areas. We need to ensure the children have as much space as possible and are listening to the activity leader.

The morning timetable is as follows:

- 9.00- 9.15am** Welcome and introduction
- 9.15-10.00am** Carousel of activities
- 10.00-10.30am** Break – Refreshments served in the hall (please ensure that any hot drinks brought onto our site have a lid).
- 10.30-10.45am** Parents to take seats (please feel free to bring your own) on the playground, children to parade in colour teams to their Team Zones.
- 10.30-11.15am** Flat races (inc. slowest bike ride and Toddler Dash!)

Following this fun packed morning we invite families to stay and share picnics on the field with their children. This will conclude by 1.00p.m at the latest.

In the afternoon, things....get....serious!

Do you have the mental strength, power, skill and agility to take on Y5/6 in a Parents v's Children Rounders match? If so, you will need to commit by booking your place on the form below.

We will play by the NFSSP rules (bar the "no more than 5 boys on the pitch rule") and for this we need teams of 9. If you would like to 'step up to the challenge' please complete the form below and ensure your trainers are polished! After the picnic we will explain how the game/s will work and the fun will commence at approx.1.15pm.

We are so looking forward to a fantastic morning; a celebration of sport and an opportunity to 'give it a go'!

See you there!

Regards

Belinda Neal
Sports Event Leader
