

Home-Learning Project

Aslan Class	Term: Autumn 2017	Topic: Autumn 1 –Where should we go on holiday? Autumn 2 – The Vikings
-------------	-------------------	---

Autumn 1 Task:

- In our topic, we will be learning about the Alps and how they are formed. For your home learning task, you may wish to do further research on the Alps or pick a mountain range somewhere else in the world. Maybe you have visited there or a friend or family has been. At the end of the half term, it would be great for you to share your research with the class. Please feel free to present your findings in any way you please!

Autumn 2 Task:

- This half term, we will be finding out about the Vikings. For this home learning project, I would love for you to get creative and make something to do with the Vikings. You will need to find the information about your chosen object, then set to work making it. Ideas could be Viking longships, Viking weapons, Viking jewellery or clothing. Please bring this end towards the end of term to share with the class.
