

## Home-Learning Project

Elmer Class	Term: Spring 2018	Topic: What are seasons?
-------------	-------------------	--------------------------

### Spring 1 Task:

- Can you design a new instrument to measure a certain type of weather? Bring it into school and show us how it works.
- Research an extreme type of weather that has happened recently in the UK.
- Have a go at presenting your own weather forecast, video it and send it into school.
