Dear Parent or Guardian,

Your child could be one of over 11,000 children who benefit from Rocksteady's in-school rock band music sessions every week. **Lessons are fun, inclusive and accessible.** Helping children to learn life skills and grow in confidence as they rehearse in their own band and perform songs they love.

#### How it works?

Your child can choose their role in the band by becoming either a drummer, guitarist, keyboard player or a lead vocalist (subject to availability). Sessions are 30 minutes long, take place in-school hours and are taught by highly trained professional musicians. No experience is necessary & all instruments are provided. Suitable for ages 4-11 years.
