2nd July 2019

Dear Parents,

SBS Clubs –Autumn 2019

Please find below a timetable for the externally resourced clubs that will be running at SBS for the Autumn Term. You will need to contact the providers directly to book your child a place and to confirm the dates the clubs are running from and to.

I am delighted to introduce two new after school clubs for next term. On Wednesdays Helen Caddick will be running Recorder Club. This will be conducted as a group lesson, making it fun for the children. It is open to all pupils in years 1 - 4. Mrs Caddick is a fully qualified music teacher and already gives piano lessons to a number of pupils at our school. She tells me the recorder is relatively easy to learn, meaning good progress is made after only a few lessons. The recorder is also a very good precursor to other orchestral instruments. There will be 10 lessons per term, costing £4 per lesson. There is also an initial cost of £15 for the recorder and study book, but these will become the property of the pupil so they can take them home to practise. Please complete the attached registration form to confirm your child's place.

We are also introducing Dance Club on Thursdays. This is a very exciting opportunity for boys and girls to enjoy a huge range of different dancing styles including Street Dance, Musical Theatre, Jazz and Ballet. This club will be run by Casey from Shine Studios and is open to pupil in years 1 – 5. The cost is £5 per session and runs for 12 weeks in the Autumn Term. Please sign up directly with Shine Studios at shinestudios.co.uk. We have waited a long time to get the right dance club provision for SBS and warmly welcome Casey to the team!

You can find further details and up to date information for these clubs on our website under Clubs.

Our lovely YOGA club provider, Mariangela, will continue to run her club on a Monday lunchtime in the Autumn Term. Please complete the booking slip attached to this letter to book your child a place. Places are limited and will be allocated on a first come first serve basis. Children who attend Yoga will go to lunch in the first sitting and then go on to the club. This club is subsidised by South Baddesley School but we ask for a contribution of £2 x 11 sessions = £22. The first date will be Monday 16th September and the last one will be Monday 9th December with no Yoga in the half term (Monday 28th October) or the INSET day (Monday 4th November).

I am attaching a Coding & Film Making Flyer for the summer holidays. The club lead, Kevin, is running workshops at Milford-on-Sea Primary School 24th Jul – 2nd Aug and at Ballard school, New Milton from 19th August to 23rd August.

All bookings can be made via his website: www.lightscameracode.com and lots more info about the workshops can be found on here too. There are discounts available for multi day bookings and for siblings.

It would be fantastic to have your feedback if you enrol your child into one of these workshops because we think it would make a great after school club opportunity at SBS!
