

Aslan Class Charter

Help people to persevere when they are finding things hard.

Don't doubt yourself when things go wrong.

Create your skyscraper – the more you learn, the bigger it gets.

Take responsibility for your actions, other around you and your possessions.

Use resources in and around the classroom, to help you with your learning.

Respect the school's and other people's property and space.

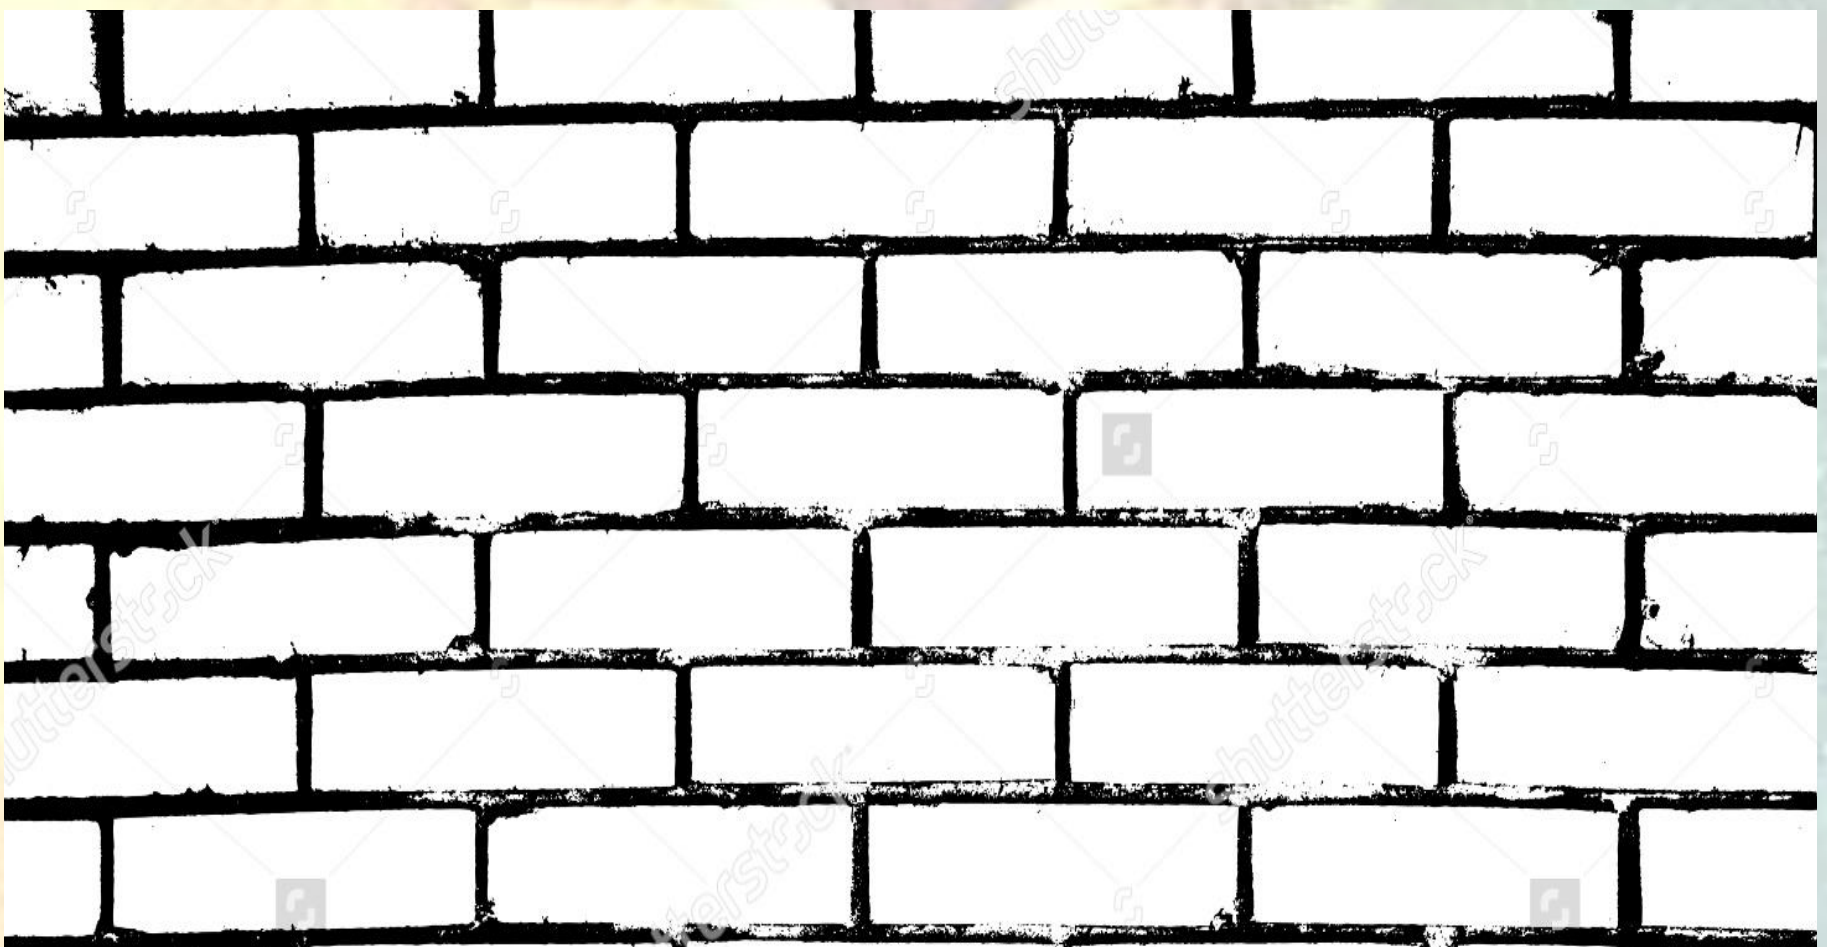

Be proud of your achievements and be open minded to improve.

Don't be afraid to ask for help.

Treat other people how you would expect to be treated.

Model behaviour you expect the rest of the school to follow.

Respect the class charter.

“Build your wall – help your class grow.”
