

South Baddesley CE Primary School

School Development Priorities 2019-20....

....aiming high.....

This year we are working hard to maintain our exceptional reading results by ensuring children make good progress in phonics and early reading.

We have launched new phonics groups across EYFS and key stage one and we are using new resources.

To help our children embed fluent skills in arithmetic, spelling and handwriting we have introduced daily Baddesley Basics between 8.30am and 9am. This is a great start to the day and helps the children to learn essential skills.

Children who have an IEP, have a Baddesley Bag. This helps them to work on their individual targets at home and school.

Finally, we are reviewing our curriculum and are getting ready to launch our new vision. We are excited that our broad and balanced curriculum is continuing to grow and develop. We are making sure that it is matched to our vision and children learn a lot in all year groups.
