

Easter Holiday Project

Dear Aslan Class

Thank you once again for all of your hard work over the last two weeks. I am so proud of how motivated you have all been and have loved seeing the work you have posted.

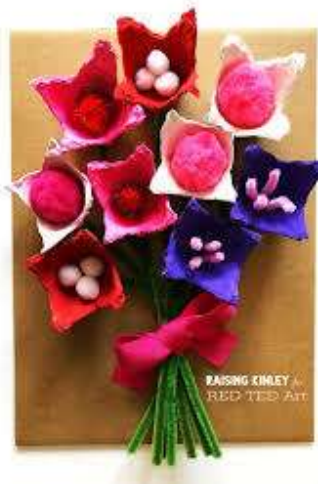

Mrs Moir has emailed your parents with a suggestion for an activity in creating that can be sent to Oakhaven or NHS staff. Remember, to upload a picture of this so that we can create a whole school presentation.

There is not 'set work' over the Easter Holidays but I know some of you might like to have a some ideas of things you can do.

Here is my challenge...

After looking at craft activities, I have been amazed with what you can create with empty egg boxes. I'm hoping that you all should have one of these at home. My challenge to you is to see how creative you can be with your egg boxes.

Here are a couple of pictures to get your brains thinking...

As it's Easter, I have gone for an Easter theme with the pictures I have chosen, but you may have other ideas...

Hope you all have a wonderful Easter break.

Hopefully see you all soon.

Miss Scott
