

Friday 24th April

Dear Elmer Class,

I hope you are all well and happy!

Phonics

Continue to watch the Set 3 videos on Ruth Miskin's youtube channel.

or

Use the phonics flashcards to make your own game or play one from the week.

Maths

We are learning to make equal groups.

Have a go at one of these problems:

- Tommy and Jack each have the same number of sweets.
Tommy has 5 equal groups of 2
Jack has 1 equal group.
How many sweets are in Jack's group?
- I am thinking of a number between 20 and 30
I can only make equal groups of 5
What must my number be?
What happens when I try to make groups of 2 with it?
What happens when I try to make groups of 10 with it?

Remember to use resources to help you.

English

Could you write a similar story to Zog showing what different creatures might learn at their own schools (e.g. a unicorn, a mermaid, a goblin)?

If you have any questions, please drop me an email on c.martin@southbaddesley.hants.sch.uk. You can post your work on learners pool where I can comment on it too.

Have a lovely weekend,

Miss Martin.
