Good morning Tulane!

I hope you all had a lovely half term and enjoyed the sunshine!

We are carrying on with our lessons as usual but we will also be having 2 virtual lessons a week – 1 English and 1 maths and these will be done in small groups.

This morning I will send out invitations for these so please check your Gmail account and accept them so that I know you have seen them! You will see a code, which you will need to type into google meet to join our lesson just before your time slot.

I will be expecting your best classroom behaviour and your learning heads on!

From now on I will be posting 1 timetable and letter for the week onto the school webpage and onto Learners Pool. All of the resources you will need will be uploaded onto Learners Pool.

I will point out where you can find all of the resources on Learners Pool below.
