

Pterodactyl Stick Puppet Template and Instructions

Instructions

1. Print the sheet.
2. Cut out around the black outline.
3. Ask your child to draw eyes and colour.
4. Fold the puppet in half lengthways.
5. Cut a strip of paper about 10 cm wide from a piece of A4 paper.
6. Fold several times lengthways to make a strong thin strip of paper.
7. Attach to the underside of the puppet.

Your puppet is ready to fly!
