Additional suggested learning ideas for this week

- Geography: Our new topic is **The seven wonders of our world**. Wonders big and small, man-made and natural can be found in our world. This week, take a photograph of a wonder in your garden or on your daily exercise and send it to Miss Simkins who will put them together into a music video. This could be a beautiful snail shell, the dew on a blade of grass or the multicoloured iris of your mum's eye. Look closely, get up close and see the truly tiny wonders close to home!
- PSHE: Express yourself: write or draw your feelings on a pebble. Place your pebble back in nature.
