

Aslan Class Charter

How we want to feel....

- Kind to others for a better classroom and world. Kindness can help friendships grow.
- Respectful to each other. Having respect for each other will allow us to learn and understand one another.
 - Courageous so we can conquer our fears.
- We have a positive mind-set to allow us to do new things and succeed.
 - Hard working and have belief in ourselves.
- Forgiving to ourselves and others. This helps us to move forward and look to the future.
- We try our best, it doesn't matter if we make mistakes; we can use these to learn from. Mistakes are the key to success.
 - We have fun!

"Build your wall – help your class grow."
